

IMC Club of Toledo - 'Hangar Flying using Instrument Scenarios'

IMC Club, "hangar flying" focused on building proficiency in instrument flying. Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and guests. This method allows participants to share their experience and build their knowledge base.

Directions: For turn by turn directions, please use internet software such as GoogleMaps, MapQuest, Rand McNally, or similar.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
